CHARACTER BREAKDOWN

Buddy- born a human but raised at the North Pole as a Christmas Elf. He is eager to find his place in the world. He is a child at heart and the childlike curiosity makes him both endearing and gets him in trouble. (age 25-35)

Jovie- Buddy's girlfriend. She works at Macy's and has a bit of a cynical outlook on life and love because of the men she has dated. She is caught off guard by Buddy's genuinely big heart. (age 25-30)

Walter- Buddy's workaholic father. He is a children's book publisher but lacks the childlike spirit that Buddy has. He is selfish, tense and generally angry at life. (age 55-65)

Emily- Walter's wife. Though she is sweet and willing to take him in, she thinks Buddy is crazy at first. She wishes Walter would spend more time with their family. (age 40-50)

Michael- Buddy's step brother who is excited to have a new friend and brother. Unlike his parents, he doesn't take much convincing to have Christmas spirit. He wishes his father would spend more time with him. (age 12-16)

Deb- Walter's secretary. Take an instant liking to Buddy simply for the novelty of it. Though she aims to please and is a bit of a suck-up, she feels under appreciated. (age 25-55)

Manager- A manager at Macy's. A good, friendly person just trying to do the job and get by. (age 35-40)

Mr. Greenway- Walter's boss. He is what Walter will become if he continues down the path he is on. A tyrannical, workaholic, who cares nothing about the people around him and who work for him. (age 65-80)

Santa- Just another workingman, Loves his job and Christmas, but also likes to relax and watch the game when a rare opportunity arises. A natural storyteller.

Chadwick- One of Walter's right-handed men. He is desperate to keep his job, and is the more simple minded of the two. (age 40-50)

Matthews- One of Walter's right-handed men. He is desperate to keep his job and is the schemer of the two. (age 35-40)

Charlotte- TV News anchor.
